REQUEST FOR CORRECTED FILING RECEIPT AND FEE AUTHORIZATION LETTER

Sir:

Applicants respectfully request that a corrected Filing Receipt be issued for the above-captioned patent application ("Instant Application"). Applicants note that the following error and omission appear on the originally issued Filing Receipt, dated April 27, 2000.

First, in respect of the number of independent claims, Applicants request that the Filing Receipt be corrected to reflect the fact that four (4) independent claims were included in the application upon entry into the U.S. National Stage; Claims 1, 11, 33 and 35. A fifth independent claim, Claim 37

appeared within the corresponding International Application, however this claim was cancelled by a preliminary amendment filed concurrently with the Instant Application. In this regard Applicants note that the total number of claims appearing on the originally issued Filing Receipt, 36, correctly takes into account the cancellation of Claim 37 by the preliminary amendment.

Second, in respect of the Continuing Data as Claimed by Applicant, Applicants respectfully request that the following priority data appear on the Filing Receipt immediately following the phrase " THIS APPLICATION IS A 371 OF PCT/EP98/02999 05/13/1998":

"WHICH IS A CON OF 08/854,941 05/13/1997".

A copy of the originally issued Filing Receipt, dated April 27, 2000, on which the requested changes are noted in red, is enclosed.

No fee is believed to be due for this communication. However, the Assistant Commissioner is hereby authorized to charge any fee which may be deemed to be due, or to credit any overpayment, to Deposit Account No. 50-0590. Two copies of this letter are enclosed.

Respectfully submitted,
